

JEEVAN JYOTI HIGHER SECONDARY SCHOOL

(Annual Report 2018-19)

Introduction

“ The Future belongs to those who believe in the beauty of their dreams”

The Annual Report is a summary of the happenings, results and plans for the year past: As we turn over the pages of Jeevan Jyoti Higher Secondary school's history. It's been an awesome experience to see how the school along with teachers and children have given a different definition to education.

We aim to appropriately integrate persons with disabilities, particularly children in inclusive education programs, provide specific, affordable, services facilitating inclusion and transition from home to school and empower the role of communities, families. I feel glad to see sighted and special children hold each other's hands and walk and learn together. On the whole, the motto of our school is to learn to live together in love, is successfully working.

The session of 2018-19 was a great year and it is consider a moment of pride to showcase all the achievements and developments of the school, staff and students who under took. The school currently has a strength of 1426 students including 41 visually impaired pupils,12 with other disabilities, 44 academic staff, 3 office staff and 16 supporting staff.

School Assembly

The morning assembly is one of the place where the entire members, be the students or teachers or the staff come together to pray and make the entire day a good one. Activities like short introduction on the importance of the day, speeches on various topics, prayer songs, thought for the day, news and other scholastic activity are conducted during assembly.

Conclusion

“To lay a foundation to an inclusive society, through all round development of the girl children by accepting and celebrating the diversity of every category of students and build a Nation of “Justice and Truth. A year in which we developed broad perspective and expanded upon knowledge.

It is indeed my pleasure to conclude on a note of giving thanks to the provincial – Sr. Shruti ,all the sisters present here and well wishers for their constant encouragement and support for making our goal achievable. To conclude, this year we all took more collective steps towards our vision and while one step was taken, many more are to go and it is certainly going to realize.

“But the wisdom from above is first of all pure. It is also peace loving gentle at all times and willing to yield to other.” **(James 3:17)**

Thank You !
