Conclusion:

As a conclusion, we feel fortunate for being the part of this institution .It rejoices us when the parents come to us and ask our school .The effort to bring both children together is really

working. It seems good when sighted children help special children holding their hands and walk together . It not only educated them but also teaches them about their responsibilities towards fellowship. It is our pride to prepare each and every child into the society with quality based education. On the, whole the motto of our school 'Learn to live together in love' is successfully working. We put our finger crossed that it always keeps on going the same.

THANK YOU.

CHRISTMAS CELEBRATIONS

The Christmas Programme was conducted on 22nd of December, 2011 in the inclusive school campus, Director, DSE Coordinator Principal, Teachers of Special School, and inclusive, CBR animators, Staff of Vocational Training were also present for the function. The programme had a nativity scene through drama, with carol singing. The special attraction of the programme was Santa clause who wished each one, a very HAPPY CHRISTMAS & NEW YEAR". After the programme

Picnics Picnics were organized for students of class L.K.G. to VII to help them know more about our city and people and to develop a sense of camaraderie

Summer Coures

Come summer and St. Thomas gears up to welcome the students who choose to spend the vacation in pursuit of adventure, hobbies and exploits in new fields. The summer courses organized by the St. Thomas Schools cover areas like Personality Development, Spoken English, Sports and Games, Music, Art and Craft, Animation and even special coaching for Science Talent Search Examinations. The fun-filled days packed with exciting activities are a welcome change from the tension-filled exam days of the third term.

A child is the most important concern for us. We are not doing him/her a favour by teaching or developing their full potential. He/She is doing us a favour by giving an

opportunity to serve children. St. Thomas Central School only provides an ambience for the freedom of growth of all our students.

The curriculum comes as an attractive package in which the academic lessons are interfaced with art, craft, music, sports and even picnics so as to stimulate the interests of the tiny tots. From this year onwards, the students of PPI have the unique privilege of learning from the text books compiled by their own teachers. The PPI and PPII children (those who stay back after class hours) can have special music and dance coaching from 1.20 pm to 2.30 pm.

Evaluation:

Teachers assess the children in both scholastic and non-scholastic areas daily and reports are sent to the parents twice a year. Formal examinations are not conducted. No grades/ranks are given. Promotion is based on the overall progress of the child.

Library:

There is a library exclusively for the pre-primary children.

Other facilities:

There is an indoor playroom which is well furnished with toys meant for the development of mental abilities like the co-ordination of muscles, and learning and differentiating shapes and colours. Craft work helps to develop the locomotive skills.

Celebrations and Talent display:

The children take part in various celebrations during the course of the year. The hidden talents of the children are exposed and developed by the teachers. All the children are motivated to take part in the talent display programme whereby they get rid of stage fright. This is not a competition, so it is only the participation of the children that counts.

Parent-Teacher Interaction

In order to foster a healthy parent-teacher relationship, the parents meet the class teacher at the end of each term.

Staff

The total number of teachers is 19 including the Headmistress, music teacher and computer teacher. During the first two weeks of the academic year, the teachers reach the school sufficiently early to receive the children.

Faculty Improvement Programme

Every month (from May to March) workshops led by resource persons are conducted in the school. Teachers also attend various seminars and workshops throughout the year.

Conveyance

An efficient transportation system operates to take the students to and from the school punctually and comfortably. Buses ply 22 different routes, making St. Thomas accessible to students from every part of the city and its suburbs. Apart from these, 3 buses are scheduled to operate at noon time for the convenience of the nursery children.

Ayahs

Apart from cleaning the classrooms and the surroundings, the ayahs remain in the park when the children are at play. Besides this, the ayahs are allotted duties in the park before and after class hours, in front of the main gate of the PP section to receive the children and also in the nursery trip buses. They also escort the children from and to the bus bay.

Infirmary The minor ailments and medical problems of the students are attended to at a well-equipped infirmary which functions throughout the day. A qualified nurse looks after the students who are admitted to the infirmary. A Medical Officer visits the campus on a regular basis to attend to the needs of the boarders.

Audio-Visual Room We have a well-equipped AV room with TV, CD player, Tape Recorder, OHP and a variety of educational CDs. All these facilities are availed regularly by our students for their curricular and co-curricular activities
